Season Total Engine Hours 278

I have answered 10 Phone calls this month. Let's continue to have a safe "Fall" season out on the water. **Please note that the "No Wake" areas remain in effect even if the buoys are removed for the winter.** Remember that all boaters born after 1/1/1986 and all Jet Skiers (regardless of age) must have a boater's safety card (RI Issue) to operate on RI waters. Please visit the web site and take the Tiverton harbors survey and the results will be posted this spring. The Patrol Boat will be removed from service on Thanksgiving day and stored for the winter.

Sincerely Submitted

David E. Vannier, Harbormaster See you out there! Tiverton Harbor Patrol VHF 16
